

SECTION 1 - PURPOSE AND INTENT

- 1.1 The goals of the Burris National Speedway Series are to promote karting at all levels and to create an atmosphere of competitive, safe and affordable racing for its participants and their families. These goals guide decisions made on and off the track. BNSS intends these rules to help local racing organizations and clubs create a safer environment for racing. Some local areas may have unique requirements so the rules and guidelines will require small modifications at the promoter's discretion. The primary goal of the rules and guidelines are to help protect the safety of the spectators, non-participants, race officials and drivers. The second goal is insure all participants are treated equally and fairly. The third goal is to promote sportsmanship for all participants. If you have any questions regarding the rules or procedures, please feel free to ask the local Race Director.
